Remarks

Charming home with stunning mountain views, offering both privacy and convenient access to shopping. The property features a spacious main bedroom with a private bathroom, a guest bedroom, and a guest bathroom, plus an additional office or hobby room. The kitchen has been tastefully updated, and all appliances are included. The living room boasts a large picture window, perfect for enjoying the breathtaking Weaver Mountain views. A generously sized, covered north-facing patio provides year-round enjoyment. The beautifully landscaped yard offers privacy and tranquility. Additional highlights include a detached workshop, extra storage room, and a one-car garage with additional cabinets. This home has been well-maintained and thoughtfully updated throughout. AZ Home Ready for you.
